Enzymatic bleach is a strong acid
powder and draws the bread white
and makes it feel soft as a sponge.
It is generally used where the bread
has to be baked today and delivered
tomorrow. This bleaching powder
has about the same effect upon your
intestines as strong liquor and by
eating bleached bread you are going
to find out someday just exactly what
we claim here. Sunrise bread is de-
livered the same day as it is baked,
therefore we don't have to rely upon
any bleaching powder. Buy Sunrise
Bread because it is pure.

A note from W. H. H. Dubose, the
berry man, brings the pleasing in-
formation that, although his season
needs rain, berries will be plentiful
this year and will be ripe for market
about the 8th or 10th of May. Mr.
Dubose has been supplying Hondo
with berries and various fruits in
season for years and the public will be
glad to learn he is to be still on the
job this season.

Medina County should not fail to
vote in the special election tomorrow
and a big majority should be rolled up
for Milton H. West, the Democratic
nominee. The Republican organiza-
tion is said to be making a very ac-
tive pussyfoot campaign and Demo-
crats should see that every Demo-
cratic vote is cast so as to give our
nominee all the prestige to which he
is entitled. Don't fail to vote to-
morrow.

Among those taking part in the
Fiesta activities in San Antonio this
week are Misses Wanda Redmond,
Mildred Frerichs, Billy and Milton
Marie Merritt of Hondo. The young
ladies will dance in special groups
before the Queen and her court, at
the Municipal auditorium as part of
the coronation ceremonies.

Mrs. L. F. Rothe was able to re-
turn home Friday from the Medina
Hospital, after having undergone a
major operation. Her friends are
glad to hear of her continued im-
provement.

Miss Dwyce Cameron of Texas
University was here from Austin
over the week-end visiting her par-
ents, Mr. and Mrs. Theodore Cam-
eron.

Mr. Lingle Barnes of Thorndale,
who is a student at Texas University,
visited his uncle and aunt, Mr. and
Mrs. T. C. Barnes, over Easter Sun-
day.

DISTRICT CHAIRMAN EXPRES- SES APPRECIATION.

Fletcher Davis, Chairman,
Democratic Executive Committee,
Medina County, Hondo, Texas.
Dear Chairman:

This is a letter of congratulations
on the success of our party organiza-
tion, with our Nominee all set and go-
ing to win by a splendid majority
over his Republican opponent. We
have been hearing nothing but good
reports from over the District regard-
ing the success of our own Hon. Mil-
ton H. West, Democratic Nominee
for the Congressional election to be
held on April 22, 1933, to be the suc-
cessor of the Hon. John N. Garner,
Vice-President of these United States.

It is generally conceded that the
Democrats have a very large majority
in the 15th District, therefore, the
only thing left for all of us to do is
to create an interest among the vot-
ers, and to be responsible for getting
our fellow Democrats to come to the
polls on Saturday, April 22nd, and
vote for our "Party Candidate", the
Hon. Milton H. West. Let's every
Chairman of every County in the old
15th District do his very best from
now until the last hour on election
day.

This is probably the last communi-
cation that you will have from me
for some time. Our relations and all
of our work together have been very
pleasant and agreeable on my part
and I assure you, each and everyone,
that I appreciate very much every-
thing that you have done to advance
our cause. You, along with other
friends inside and outside of the Dis-
trict, have made our success possible.
Some have contributed time and some
have contributed money to pay our
office expense, for which we are very
thankful. All of this assistance will
be remembered. In fact, without it,
we could not have made the showing
that we have.

FINANCIAL STATEMENT.
The total amount collected, includ-
ing the filing fees from the candi-
dates, the \$100 contributed by State
Chairman Maury Hughes, and the
\$50.00 contributed by Senator Archie
Farr, is \$375.00; total amount ex-
pended is \$378.78, plus \$1.22 tax on
checks, \$380.00, leaving a deficit of
\$5.00, which can be taken care of if
the other five Chairmen will send in
their one dollar each, helping to take
care of the \$23.00 York check that
was returned.

Sincerely yours,
D. W. PRICE, Chairman,
Democratic Executive Committee,
15th Congressional District.

BAPTIST NEWS NOTES.

The Baptists are most grateful to
God and to any friends for the fine
results to every department of the
Church, of the revival meetings re-
cently closed. The large number of
fine people who were led to unite
with our membership has brought
joy to all and inspired us with new
hope. The Bible school has taken a
forward step, numerically, and all the
workers are in the very best of spir-
its. There are very many yet, who
do not attend any Bible school. We
have a place for you, and a hearty
welcome. Better come right along,
and find friendship and spiritual
help. The Pastor is ready to serve
you in any way that God's preacher
can usefully serve a Community.
Call him, if he can be of assistance
in any way. On next Sunday morn-
ing the elements of the Lord's Sup-
per will be administered. The entire
membership is urged to be present
if you possibly can; especially is it
desired that our new members shall
be present. Following Christian bap-
tism, in the Bible order, is the Sup-
per. The Pastor will fully explain
this ordinance to our new members.
And you will, for the first time, par-
ticipate in its celebration. At the
evening hour, eight o'clock, the or-
dinance of baptism will be adminis-
tered to those seeking thus to obey
the Lord and follow his holy example.
Opportunity will be given for mem-
bership at both services, morning and
evening. Let those contemplating
membership with us come right on
and find a Christian welcome. The
Bible school begins promptly at 10
o'clock A. M. Preaching at 11:00
o'clock. We grow strong by follow-
ing righteousness. Jesus Christ is
both our Saviour and our righteous-
ness. Please do not doubt him.
PASTOR.

JENNINGS MOTH PROOFING.

At this time if never before you
should at least attempt to keep the
moths from your out-of-season gar-
ments. You can accomplish this by
having your clothes Moth Proofed
at Jennings. Here's the process:
Garments are first thoroughly clean-
ed in the continuous flow system of
all substances, steamed, deodorized
and then Moth Proofed and re-
turned in Moth Proofed Bags. Special
prices will prevail for this service.
Gather up your wardrobe and get in
on these moth proof bags while they
last; they are free with this service
only.

ATTENTION, HOME OWNERS.

If you are the owner of a home, no
matter how humble or how valuable,
its value up to \$5,000.00 is exempt
from state taxes under the provisions
of the homestead tax exemption
amendment adopted at the election
last fall. However, to secure the
benefit of this exemption this year
you must see your County Tax As-
sessor before May 1st, render your
assessment and make designation of
the homestead. Do not neglect this
longer but see Tax Assessor, L. E.
Heath at once and avoid disappoin-
tment. It.

TO ALL DEMOCRATS!

It is well to remind all the friends
of Milton West, our democratic nom-
inee for Congress, and all those who
believe in voting the democratic ticket
that the last "run" for the elec-
tion of our Congressman comes off
on Saturday, April 22nd, and that we
must all come out, and do our duty,
and vote. There is an unfortunate
disposition among many good folks to
"leave it to the other fellow", to at-
tend to a duty which belongs to every
American Citizen alike. The man who
stays away from the "firing line" when
he should be there, has but a very
poor excuse, to afterwards com-
plain that popular elections are a
failure. We should turn out and go
to the polls, and vote for the man
whom the majority of the democrats
of the 15th Congressional District,
have made the democratic nominee.
We throw into the discard the voice
of the majority of those who voted in
the primary, if we don't, next Sat-
urday, confirm and support that choice
by giving Mr. West a rousing majori-
ty over his opponent.

The 15th Congressional District, as
now composed, is essentially demo-
cratic, and there is no good or sound
reason at this time why it should not
so remain. So let's help to keep it
so on next Saturday.

to the respective owners at Hondo,
Texas, on or before 10 years from
their date. They shall be dated
April 10th, 1933, and shall bear 6 per

ers thereof, at Hondo, Texas. A tax
of 5 cents on the 100 dollars taxable
property assessed, or so much there-
of as may be necessary to pay all in-
terest and the principal of said war-
rants as same becomes due and pay-
able is hereby appropriated out of
the general 25 cents ad valorem tax
levy in Medina County, Texas, until

DON'T LET MEDINA COUNTY FAIL.

Cline, Texas,
April 15, 1933.

Mr. Fletcher Davis,
Hondo, Texas,
Dear Mr. Davis:

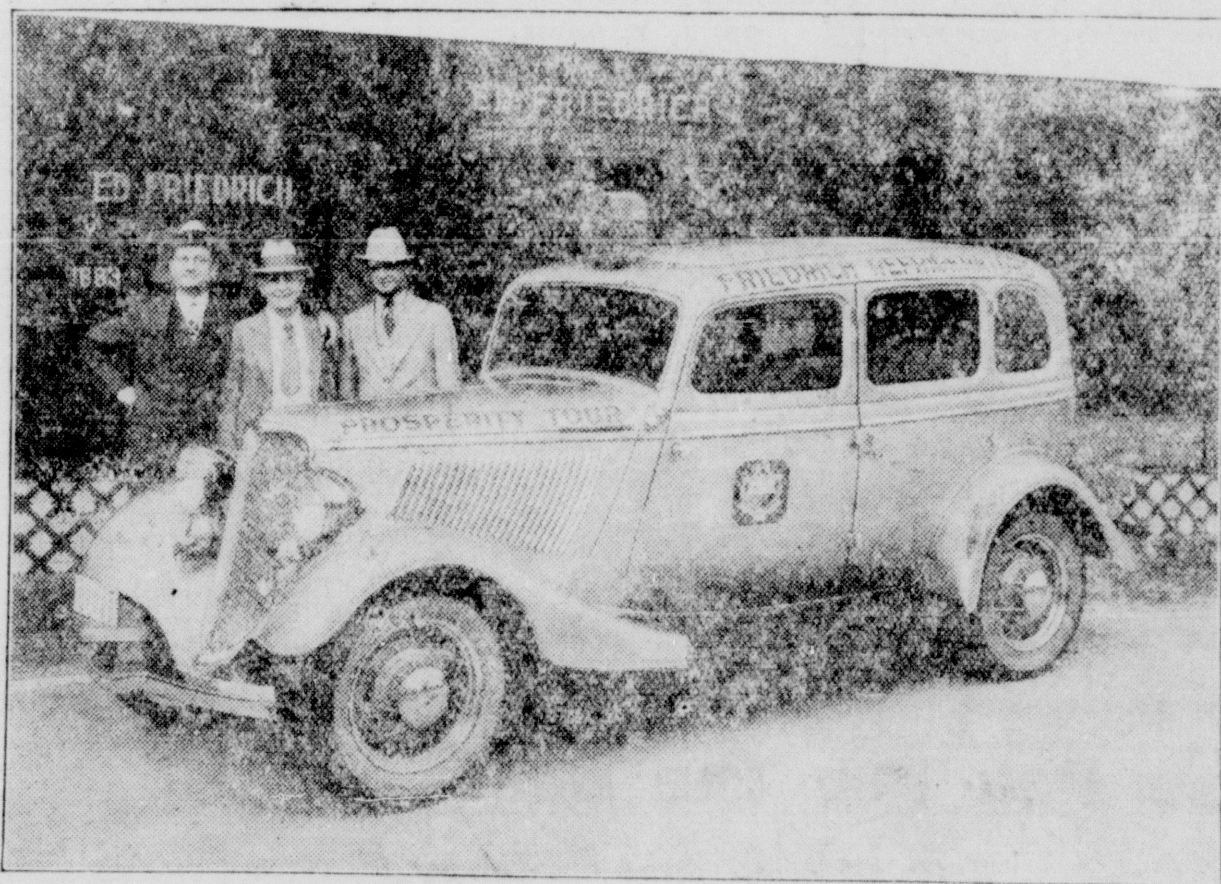

I have spent several days in the
lower end of the district and find
that a lot of Griffin's following will
vote for Watson. The Republicans
are also spending considerable mon-
ey on this election. I am not afraid
of the results if we can induce the
voters to come out and vote. I will
appreciate your urging the voters of
Medina County turning out next Sat-
urday and voting.

I surely would like to see Mr. West
carry Medina County. I am quite
sure he will get Zavalla County this
time and Uvalde, Dimmit, Maverick
and Kinney will go practically solid
for West.

Thanking you and with kind re-
gards, I am,
Sincerely yours,
J. L. PINGENOT.

QUIHI NOTES.

Fear thou not; for I am with thee; be not dismayed, for I am thy God; I will strengthen thee; yes, I will help thee. Is. 41: 10.
Bubble, bubble—time and trouble in the caldron of our time. Some of recent date, others hangers of times of yore. Many of the toilers are at the dregs of their courage and patience. Fear, like a baneful mildew, is blighting souls here and there. Will personal exertions, public policies, retrenchments and makeshift resources bring the upward trend? Not yet. What's keeping us from linking our troubles with the God of our text and His solid, honest promises? Every surviving dollar says that we trust in Him. Do we? He can still temper the winds to the shorn lamb and strengthen the shoulder that bears the load.

Good Friday rallied the worshippers in the house of God in great numbers and an ideal Easter morn rallied them again. The confirmand classes of 1930 and 1932 attended Holy Communion in a body—a pleasing sight. Mr. Edwin Boehle had donated some beautiful altar candles for the festivity, and our faithful floral committee provided a fine display of floral beauties. The choir had some of the choicest pearls of harmony. Also St. John's at New Fountain had joined the wholesome spirit of the day.

Mr. and Mrs. Arthur Grell had their baby-boy baptized on Easter. William Richard were the names chosen. Mr. and Mrs. C. W. Grell and Mr. and Mrs. Rolf Bohmfalk did him the honor of sponsorship. May the Lord bless the child and make it a blessing for many.

The social committee of the Luther League will meet on Friday, April 21st, 7 P. M. at the Parish Hall. The members, herewith appointed, are the Misses Eileen Hartmann, Hulda Oefinger, Della Saathoff and the Messrs. Edwin Grell, Otto Lindeburg and Arnold Lindeburg.

Mr. and Mrs. Reinhart Rothe arrived Saturday from Austin and spent Easter Sunday with his parents, Mr. and Mrs. L. F. Rothe. They were accompanied from San Antonio by Miss Madeline Droitecourt, who visited her parents, Mr. and Mrs. J. J. Droitecourt.

We are informed that George Schuehle, the 13-year old son of Henry Schuehle, Jr., had the misfortune to lose the sight of his left eye one day this week. The young man was hoeing weeds, the hoe struck a rock, and knocked it into his eye with such force as to destroy the sight of the member.

Mrs. A. L. Haegelin returned home the latter part of last week after an absence of some six weeks. She spent the first weeks of her absence in a hospital in San Antonio and the latter part convalescing at the home of her daughter, Mrs. Julius Wurzbach, near Cliff. Her friends are glad to know her health is greatly improved.

Following some unusually warm weather, a norther blew up last Thursday night and by Friday morning frost had formed in many low places, doing heavy damage to young crops and gardens. Easter Sunday was cold, and dry winds have prevailed for most of the time since. Rain fell over most of this section early Wednesday night of this week but the precipitation was light and a north and west wind which followed again dried the moisture away. A rain is badly needed.

J. D. Hueschen was a business caller at this office Saturday on an errand for his long time friend, George Heyen. Mr. Hueschen remarked incidentally that Saturday was the 51st anniversary of his marriage. He called to mind that he plowed corn on the morning of Friday before his marriage Saturday and that a frost on Saturday night killed his crop to the ground—not much change in the climate over the present time! In celebration of his wedding, he recalls that he butchered a cow to supply sausage and barbecue for the wedding party. The invited guests consisted of the members of 115 families and besides the cats, he provided 10 kegs of beer, 5 gallons of wine, five gallons of whiskey and 500 cigars. Mr. and Mrs. Hueschen are both hale and active notwithstanding the passage of all these years.

TWO PARAMOUNT FILMS FOR COLONIAL THEATRE.

Robert Armstrong, in what is reported to be the best role of his career, heads the cast of "The Billion Dollar Swindle," an expose of a gigantic swindle, which shows at the Colonial Theatre Saturday and Sunday. Armstrong portrays Fingers Partos, who learned to massage by way of the prize ring, went to prison for some minor offense, and came out to become masseur and gym teacher for a wealthy banker named Masterson and his associates. Playing stock tips he overhears in his gym class, Fingers makes a fortune, and then, because his younger brother falls in love with Masterson's daughter, Masterson breaks him. With revenge as his motive, Fingers listens to the suggestion of a powerful newspaper editor that he tell for publication the details of a nation-wide swindle he overheard Masterson plotting. His disclosures make him the man of the hour, saviour of a people and the nemesis of Masterson and his millionaire crook associates. In addition to Armstrong, the cast includes Frank Morgan, Constance Cummings, James Gleason, Warren Hymer, Olga Bacalanova and Irving Pichel.

"The Devil Is Driving," rapid-fire melodrama set against the background of organized auto-stealing and its death-dealing ramifications, has been booked for the Colonial Theatre, where it opens Thursday, with a cast headed by Edmund Lowe, Wynne Gibson, James Gleason, Lois Wilson, Dickie Moore and Allan Dinehart. Through his brother-in-law, foreman in a garage, Lowe gets himself a job as "grease monkey." Then he discovers that the upper floors of the building serve a variety of purposes—none of them legitimate. There is a repair shop in which stolen cars are so changed in appearance that they can never be recognized; a paint shop and drying room, which aid in that task; a luxurious speakeasy; a penthouse in which the directing minds of the enterprise live in armed security. It's of no consequence to Lowe until his little nephew is seriously injured by an automobile which he discovers belongs to the gang, and the boy's father, discovering the fact and seeking revenge, is himself brutally murdered.

"Come in, my friend, and sit down here
In the warmth of my friendly atmosphere—
A friendly welcome,
A friendly smile,
A friendly handshake,
A friend worth while,

A friend in your sickness,
A friend indeed
Awaits you here in this friendly pew,
With friends that are here to worship as you.
Come bend your knees and worship then,
Our Lord and Savior and Friend of men—
The friend of sinners,

The friend of the toilers,

And the Light of the world to him who bends
His will in love to this Friend of Friends."

IN MUSIC CONTEST FINALS.

Misses Evelyn Knopp and Adele Scott, two young piano students of Hondo, were among the finalists in a musical contest sponsored by the Tuesday Musical Club of San Antonio for this district last Saturday in San Antonio. Both young ladies were entered in the Mozart group for ages from 11 to 14, the selections played being Mozart's Sonata.

This Saturday, April 22, the Tuesday Musical Club will sponsor the finals in the contest, at the Menger Hotel ball room. There will be four contestants in the Mozart group, which will include the two young Hondo pianists.

Miss Evelyn Knopp is the talented daughter of Dr. and Mrs. T. B. Knopp and is a student of the music department of Our Lady of the Lake College, San Antonio. Miss Scott is a daughter of Mr. W. C. Scott and has taken part in many musical recitals in Hondo. She studied under Miss Florence Brush.

DIRECTORS MEET.

The meeting of the stockholders of the Hondo Cemetery Association called for last Saturday, April 15, 1933, did not materialize for the reason that the required 17 shares of the 32 shares were not present. The Board of Directors consisting of Joe Ney, L. J. Brucks, C. J. Bless, Ed de Montel and H. E. Haass, present, will hold over. The sum of \$75.00 was donated and set aside for the nucleus or beginning of a waterworks system, to be supplemented by private donations to be used eventually for purchase of a wind mill, pump, tank and pipe line from the well in old cemetery to the new cemetery.

For thirty years Judge Love was a law partner of Vice President Garner in Uvalde, and his appointment to the Board of Tax Appeals was made with Garner's backing. He was reappointed by President Hoover last June for a twelve-year term.

W. O. VICTOR, PIONEER BEE MAN, DIED LAST THURSDAY.

In the death of W. O. Victor, which occurred at his home on Miller street last Thursday afternoon, Uvalde lost one of its most highly respected citizens, and one whose place will be hard to fill.

Mr. Victor had been in ill health for the past two years. He was born at Camden, Wilcox county, Ala., June 10, 1861, and at the age of 18 years moved to Wharton, Tex., where he resided until 1905. At that time he moved with his family to Hondo, where they resided three years before coming to Uvalde, where he had lived since 1908.

The funeral services were held Sunday afternoon at the Church of Christ, the services being conducted by Elder J. E. Mullins of Crystal City, assisted by the Rev. W. A. Gorman, pastor of the First Baptist church of Uvalde. Interment was at Uvalde cemetery, with Cal Vess in charge of the arrangements.

Survivors were W. D. Bunt, G. W. Johnson, Lewis Smyth, J. Hoag, R. L. Sutherland and J. Kisinger.

M. Victor was one of the foremost authorities on bees in this county and for many years was superintendent of the apiary exhibits at the State Fair at Dallas. When ill health forced him to give up active charge of these exhibits, he was named as honorary superintendent, a gesture of appreciation on the part of the management of the fair, for his efforts in making his part of the fair a success.

Mr. Victor was married to Miss Hope Gillespie Oct. 16, 1887, near Columbus, Tex. To this union five children were born. The eldest, Tom Gillespie Victor, died at the age of 11 years. The four surviving children are: Mrs. L. C. McDonald, Austin; Mrs. T. L. Witt, Monell; H. A. Victor, Taylor, and W. O. Victor, Jr., Chaffee, North Dakota.

In addition he is survived by seven grandchildren, two sisters, Mrs. Maggie Moore and Mrs. C. L. Bolton of Wharton, two brothers, J. C. Vets, Houston, and R. P. Watts of Corpus Christi, and many other relatives—Uvalde Leader-News.

The friends Mr. Victor made here while a resident of our town will learn with sorrow of his demise.

IN MEMORIAM.

Mr. H. W. Barkuloo, formerly of this place, who died at his home at Cedar Bayou, Harris County, Texas, on March 6, 1933, at the age of 72 years, 11 months and 18 days, was a native of Minnesota, having been born at Litchfield where his parents, Rev. and Mrs. C. T. Barkuloo, resided in the early days, coming from Indiana soon after the Civil War. Being the son of a minister in the 60's and 70's Mr. Barkuloo's chances for an education were limited, but he finally succeeded in getting a certificate to teach, and after teaching a few years he married Mary Beaud and moved to Grove Lake, Minnesota, where he took on a homestead and engaged in farming and stock raising. They lived there until 1893 when both families moved down to Arkansas, seeking a warmer climate. Here his wife died, leaving three children, Chas., Robert and Mrs. Bessie Shaw. He finally married again to Miss Erna Fuqua and later moved to Cedar Bayou, Texas, where he made his home until the last 9 or 10 years of his life in which he has moved around some, seeking health. It was during this period that he and his family resided in Hondo, coming here in January 1924 from Cedar Bayou, near Goose Creek. Although he moved away in November 1928, the family made many trips here during their brief stay, and Mr. Barkuloo was always here to look after his business interests and visit his son, Robert W. Barkuloo, and family.

To his last marriage two daughters were born, Mrs. Ruth Brooks and Mrs. Amy Moyers. Mr. Barkuloo has always been a devoted, loving and kind husband and father, a true Christian and a faithful church worker, always standing firm for what he believed to be right and for the good of his fellowmen and his death is mourned alike by kindred and friends.

CARD OF THANKS.

We wish to extend our thanks to one and all for their many acts of kindness during the last illness of our dear wife and mother, Mrs. Mary E. Hornung, and for the many expressions of sympathy for us in our sorrow. We are especially grateful to Rev. P. E. Lancaster for the funeral service conducted by him.

Gratefully yours,
ALOIS HORNUNG,

A Doctor's Family Laxative

**It Takes More Than Salts,
Calomel, Mineral Waters,
Oils, or Laxative Pills to
Arouse a Sluggish Liver**
They Give Only Temporary Relief From Constipation
and Biliousness, Because They Have No
Effect Whatever on the Liver or Its
Production of Bile
Bile is nature's own laxative and
your stomach and bowels require at
least one quart of fresh bile every
day to keep them clean, pure, free
from fermentation, putrefaction,
gas and disease germs.
When your liver becomes torpid
or sluggish the bile stagnates and
stops flowing freely. The contents
of your bowels become the breeding
place for germs and poisons; your
food does not digest—it just
ferments and decays in the bowels.
The blood absorbs these poisons and
you suffer from constipation,
gas, sick headaches, biliousness,
nervousness and sour stomach.
Sargon Soft Mass Pills will re-
move the cause of this condition
and purify your entire system in
nature's way. They are not like
any other medicine you have ever
taken. They are so gentle, thor-
ough and natural in their action
that there is nothing about them
to remind you that you have ever
taken a medicine, and most re-
markable of all you gradually re-
duce the dose until you no longer
require a laxative at all.
Five years ago it was generally
believed that calomel and laxative
drugs stimulated the liver, but
modern science has proved that
calomel, salts, mineral waters, oils
and other laxatives have no effect
whatever on the liver.
Sargon Soft Mass Pills act di-
rectly on the liver because they

MRS. EDA RUDINGER.

Mrs. Eda Rudinger, beloved wife of Mr. Louis Rudinger, died in her home near here at 9:30 o'clock Friday morning, April 14, 1933, after an illness of only a few weeks. Born on February 26, 1859, she was of seventy-four years and was the founder of the community, and she experienced many of its hardships. Her mother was Josepha Schaubert, and her father was Capt. H. J. Richarz of the Texas Rangers, who had come here from Germany and built his picturesque home overlooking the Rio. In this home Eda Richarz was born, and here she spent a life whose keynote was devotion to her family; during her girlhood she ministered for several years to an invalid mother, here she cared for her father through the declining years of old age, here she reared her family, and here she also died.

Almost fifty years ago, on November 3, 1883, Miss Eda Richarz was married to Mr. Louis Rudinger, who survives. They had six children: three daughters, Mrs. Bilda Wolff, Mrs. Jane Rothe, and Josepha, who died in infancy; three sons, Walter, Alfred and Carl, all of D'Hanis. Other survivors were three sisters, Mrs. Emma Berdwell of Langtry, Mrs. Emma Hellman of Seguin, and Mrs. Eugenia Davis of Sunnyvale, Calif.; one brother, Joe Richarz of Uvalde, twenty-five grandchildren and one great grandchild. Preceding her in death were three sisters, Mrs. Josephine Wallrath, Miss Mary, Mrs. Josephine Prince, and one brother, Walter, who was killed by Indians while serving with the Rangers.

The body was laid quietly to rest in the family burial ground on Saturday afternoon, April 15, with Rev. R. W. Merrill of Hondo conducting an Episcopal service. Many relatives and friends were present. The pallbearers were Messrs. Joe Richarz, Oscar Richarz, Frank Pingnot, Richard Wallrath, Henry Nehr, and Leonard Rudinger.

The following out-of-town people attended the funeral: Mr. and Mrs. Joseph Richarz, Sr., Mr. and Mrs. Joseph Richarz, Jr., Mrs. Eric Hye and children, of Uvalde; Mr. and Mrs. Oscar Richarz and family of Tule; Mr. and Mrs. Fritz Oehler, Mr. Edwin Oehler, Mrs. Flora Wallrath, Mrs. Anne Rinkus and son, Hugo, Mrs. Henry Collins, Mrs. Theo. Prince, Mrs. Roy Winnick, Mr. and Mrs. Raymond Smith, Mrs. T. E. Woodrume, Mr. and Mrs. Joe Pichot and daughter, Mrs. Regina Deckert, and Miss Bilda Wolff, of San Antonio; Mr. and Mrs. Frank Pingnot, Mrs. Regina Pingnot and daughter, Theresa, of Del Rio; Mrs. Robert Reynolds of Hondo; and Mrs. Oscar Shane of Sabinal.

BASEBALL.

Charles Langfeld went the full route here Sunday when the Pirates defeated the Hondo Bronchos, and held the Bronchos to 5 hits and one unearned run. The score was 4 to 1. Reitzer also pitched a strong game but was the victim of timely hitting and wobbly support at critical stages. As the Hondo team has just recently organized they showed that with more practice they will be a power in local baseball circles. Amos Finger and Tom Koch, with three hits each, were the batting leaders.

The Pirates are arranging their playing schedule for the season and are anxious to hear from neighboring towns in regard to matching games. A large crowd was in attendance at Sunday's game and with the brand of baseball displayed by the Pirates, they have won all four games played, the loyal fans are expected to patronize their home club by attending the home games.

A NEW TEXAS ALMANAC.

Many new features are contained in the Texas Almanac and State Industrial Guide for 1933, which has just been issued by The Dallas News. There are more than 1,000 articles, statistical tables, illustrations and maps, answering between 50,000 and 100,000 questions about Texas. Every phase of Texas' economic, political and civic development is covered, including farming and live stock, manufacturing, wholesale and retail trade, population, railroads, aviation, highways and automobiles, motor transportation, inland waterways, minerals and mining, government and names of State, district and county officials, education, conservation and numerous other subjects.

A large folded sheet between the leaves of the volume carries political and railroad map on one side and highway map on the other. These maps were made especially for the Texas Almanac and are to date and accurate. As one runs through the leaves of the volume one comes across such interesting miscellaneous articles as Historic Landmarks of Texas, Archeological Research in Texas, Noteworthy Texas Caves, the Program for State Parks, Health Resorts and Places of Recreation, Arts and Artists, Libraries, Old Cattle Trails, Boundary Disputes, Kinds of Salt and Fresh Water Fish Found in Texas, Home Canning and Farm Terracing and Home Tenantry.

If one wishes to know where the principal lakes of Texas are found, how to fly the Texas flag, the depth of the deepest oil well, the amount of oil and gas in Texas reserves, where the McDonald Observatory is to be built, how much is collected from the gasoline tax or the amount of the payroll of Texas railroads, he will find it in the Texas Almanac.

While many new articles have been included, the chapters of information that have become standard in the Texas Almanac are retained, completely revised and enlarged. There are more than 7,000 names of individuals in the book. Special attention is given to historical features, particularly those of importance in connection with the tentative plans for a centennial celebration. The volume this year lives fully up to its reputation of being the "Encyclopedia of Texas." Incidentally, a review of its contents reveals a marvelous amount of development in the Lone Star State, even during the last few years of business stagnation.

Price, 50c at news stands, 60c by mail. It will be ordered for you by the editor of this paper, on request.

LOOKING FIVE YEARS AHEAD.

Our training does not merely fit young men and women for bookkeeping, stenographic, or typing positions. Our courses look far beyond that stage of business careers. They develop executives. It is our aim to cultivate in every student a desire and an ambition to advance to positions of power and responsibility and to assist them in laying a foundation upon which to build such a career.

Most of our graduates start as stenographers, bookkeepers, secretaries, or accountants, but their training to do more important work soon wins promotion. We give them a training that fits them for executive and managerial responsibilities which is readily noticeable to their employers and as their employers know our reputation for developing future executive material they do not have to wait long for promotions. Byrnes graduates are known the country over as outstanding business men and women in all lines of endeavor, from United States Senator, Bank Presidents and Cashiers, Corporation heads, etc., on down to commercial positions.

Business these days is a profession or we might say, many professions, requiring specialized training. Merely learning the theory of shorthand or bookkeeping is not sufficient. You must be taught business methods. There are certain principles that must be instilled into the young person that cannot be learned from books. No other school in the South attempts to teach these broad principles of business; therefore, their students do not meet with such ready advancement and promotion to high places.

Fill in your name and address and receive further information. You will not be obligating yourself in the least.

IN LOVING MEMORY OF MRS. A. HORNING, NEE MANN.

She is gone in her beauty in silence to rest.

Like snow drops we folded her hands on her breast.

She lies like a statue of some Grecian art.

With cheeks that are pallid and a cold, hushed heart.

Farewell, again, dear Mary.

Some day we will meet again, dear, and part no more.

Resting near our Savior's feet, in that blissful home above.

Our grief, our eulogy cannot reach her now.

But her counsel we can keep while her memory will long be cherished.

In the hearts of those who loved her.
